

## 1st Grade Summer Reading

Directions: Practice reviewing Kindergarten sight words, as well as getting a head start on First Grade sight words, by using these fun ideas. Make sure to practice throughout the summer to keep them fresh! Take a picture while you're enjoying the activity to share with your first grade class in August. Use these ideas all school year long to practice sight words.

### Activities:

- Fly Swatter---Write the words on sticky notes and have your child swat the word with a fly swatter as you read them.
- Use Play-Doh--- Write words in play-doh with a wooden stick or skewer.
- White Board--- Write sight words on a dry erase board, then read them when finished.
- Alphabet stamps---Use alphabet stamps to write sight words, then read them when finished.
- Post-It Match--- Write sight words on a whiteboard or piece of paper, then write the same words on post it notes. Match the post-it notes to the words on the whiteboard or paper by sticking it on top of the matching word.
- Memory game--- Write sight words on two index cards. Turn them over and have fun finding matches.

### Kindergarten Words to Review:

a	go	of
all	good	off
and	green	one
are	have	only
ask	he	orange
ate	help	our
away	her	out
be	here	over
black	how	play
blue	I	purple
brown	into	put
