## **Preschool Enrollment**

St. Mark offers a preschool program for children four to five years of age, but not yet ready for Kindergarten. We aim to prepare students for Kindergarten through free play, structured small groups, and other developmentally appropriate educational experiences, and focus on the social, emotional, spiritual, academic, and physical needs of our students. Both half-day and full-day options are available. Due to state of Ohio licensing requirements for Pre-K student-teacher ratios, we are able to enroll a maximum of 14 full-day students. Full-day spots will be filled in the order that registrations are received. **Children must be four years old by September 30, 2026 and fully potty trained to attend our program.**

### **Preschool Priority Enrollment**
